

# Ice Cream Maker 1.5Ltr

Effortlessly produce up to 1.5 litres of delicious, high margin ice cream with the powerful and reliable Buffalo Ice Cream Maker. Featuring its own built-in freezer, simply add your ingredients and the machine will automatically mix and freeze the mixture to produce light and indulgent ice cream, sorbet or frozen yoghurt - all without having to pre-freeze the bowl beforehand, saving you time and increasing output. The lid features a handy pouring chute, allowing you to add ingredients during the process, ensuring a smooth, consistent addition of chocolate, nuts or fruit. Perfect for restaurants, cafes, bistros or even the home.

## Features and Benefits:

- Non-stick removable bowl
- Built-in compressor, means no need to pre freeze the bowl
- Spatula included
- LED temperature display
