

DUPLA AUTO-DOSING DISHWASHERS

Take another step towards dishwashing perfection with the WRAS approved Dupla range from Kromo. Built from high quality 304 stainless steel the DUPLA range is available in both 30amp and 3 phase power options and includes top features such as a double skin for quieter and more efficient running, double filter to protect the wash pump and option to add a drain pump integral to the unit.

All Dupla units come as standard with glass, dish and cutlery baskets.

MODEL	PIECES / BASKET	PIECES / HR	BASKET SIZE (mm)	DIMENSIONS (mm)	KWH/ ANNUM	POWER	WEIGHT (kg)
